## Mr. Ho Chun Kiu's Self-Introduction

Hello everyone, I am HO Chun Kiu, Kings.

As a Registered Physiotherapist and the current Vice Chairperson of the SKHCYSS Alumni Association, I am dedicated to bridging the gap between our alumni community and the school. My professional background in healthcare has instilled in me the value of active listening, a skill that is vitally important for building a strong communication network between alumni and the school.

My goal is not simply to relay messages, but to facilitate a genuine exchange of ideas and thoughts during my service. My utmost objective is to deepen the synergy between the school and our graduates to maintain a mutually beneficial bond. I believe graduates from diverse fields can share industry insights and core values to widen our students' horizons, while also offering guidance on mental well-being and positive life attitudes.

I believe my tenure as Vice Chairperson has equipped me with the practical skills needed to connect seasoned alumni with current students, creating sustainable relationships. I now aim to dedicate my energy and expertise to fostering a robust and supportive alumni family for our beloved school on a new platform: as the Alumni Manager of SKHCYSS.

Thank you.
